### *Reminder - Pedestrian & Vehicular Safety & Education Program*

The Pedestrian & Vehicular Safety & Education Program works to address the pedestrian and vehicular safety needs on the WUSM campus. The program provides campus education services that seek to improve pedestrian and vehicular safety and to encourage more walking by creating an environment where pedestrians can walk safely and comfortably.

Watch this [video](#) to learn about ways to stay safe while walking, biking and driving. And then, fill out the safety [pledge](#) to be safe on campus.
